

NOVEMBER NEWS

Summit Hill First Grade

Curriculum Focus

Math: We have started our unit on measurement and time. We will be learning how to measure with non-standard units. We will learn how to tell time to the hour and half hour.

Reading: It's all about non-fiction this month. We will be learning how non-fiction books are different from fiction. We will learn how to use text features to learn more! Our phonics focus will be beginning blends (r, s, w, and l)

Writing: We will be learning how to write non-fiction books. We will learn how to teach our readers about things we know. We will learn that our pictures can teach just as much as our words!

SS/Science: We are going to investigate light, shadows and sound during science. Then we will learn all about the explorers Lewis and Clark.

The Leader in Me

Habit # 3:

Put First Things First

I spend my time on things that are most important. This means I say no to things I know I should not do. I set priorities, make a schedule, and follow my plan. I am disciplined and organized.
